Managing Engineering and Technology is designed to teach engineers, scientists, and other technologists the basic management skills they will need to be effective throughout their careers. Managing Engineering and Technology, 6th Edition ... Tue, 07 Jul 2009 23:59:00 GMT  
Managing Engineering And Technology 5th Edition Free - This book was a waste of time to read. The management advise is very generic and the engineering aspects are both out-of-date and just wrong from my experiences in both the

classroom and in industry. I would recommend using a standard management book and using the professors experience in technology. This book was useless. Thu, 06 Dec 2018 22:57:00 GMT
