

## technical sourcebook for designers

Fri, 07 Dec 2018 19:13:00 GMT technical sourcebook for designers pdf - Sociotechnical systems (STS) in organizational development is an approach to complex organizational work design that recognizes the interaction between people and technology in workplaces. The term also refers to the interaction between society's complex infrastructures and human behaviour. In this sense, society itself, and most of its substructures, are complex sociotechnical systems. Sat, 08 Dec 2018 09:04:00 GMT Sociotechnical system - Wikipedia - In addition to publishing our Journal and Proceedings, ASPE sponsors the publication of various other works.
